Finishing Well

Finishing well has been a theme for our whole organization over the past couple of years, particularly for retiring members. As we come closer to our furlough time (July 29), it seems appropriate for us, too.

Christy is seeking to cut back a little at the Clinic and see other people take over what she's been doing in the afternoons. At the Primary Campus, she's training another lady to take over her efforts at the Library.

Larry is training the next Senior Manager for Language Programs, who is scheduled to take over in July. He made a final trip to Buka Island in February to check the first New Testament drafting that the Solos team has completed.

For a great door and effectual is opened unto me, and there are many adversaries.

I Corinthians
16:9
KJV

Prayer Corner

Praises:

- Successful advisor checking of Acts 1-6 with the Solos team in February
- A refreshing and insightful Branch Conference in March.
- Good progress for the boys in home school
- A smooth start to Larry's time as Acting Director for Language Services in April
- Good initial training for Larry's replacement as Senior Manager
- A good replacement for Christy at the Primary Campus Library

Requests:

- Referendum on Independence in Bougainville coming up in Oct 2019
- Wisdom for our long-term plans in Bougainville and the Solos program
- Pray that our final three months before furlough will be fruitful and that we will finish this field term well

Lawrance (3rd grade) and Amaziah (1st grade) are hard at work with finishing up this school year.

But this is only a short-term 'finish' for us. We're only planning to be in the U.S. for one year, and God has opened doors for additional service here in PNG next term. *(continued on back page...)*

Sotutu, Goldie, Chris, and Pastor James work on revising a passage in Acts.

The Back Page

An Open Door...

(...continued from page 1) Larry will be part-time on the Executive Committee (sort of an internal Board). Christy hopes to train as a laboratory technician at the Clinic. We're planning to be more full-time in the Solos program out in Bougainville.

Even as we're getting ready to wrap up this term, Larry has temporarily stepped into an acting Director position while his boss is out of country for a few months. In all that we're doing in PNG, we realize that Paul was not unique when he talked about facing many adversaries.

Pray that we will be able to finish well our work for this field term and handing off the work to others. We also acutely feel the need for God's strength for the many details of packing up and preparing to return to the U.S.A. for a year. There are still lots of unknowns about the situation in Bougainville, which makes planning our return to PNG a challenge.

We ask you to trust God with us for these next few months, our furlough, and our next term in PNG.

Field Address:

**Box 1-212
Ukarumpa, EHP 444
Papua New Guinea**

Rainy season is a perfect time for mud-slides...

...but it's also a time for lots of muddy laundry!

The boys had fun helping Mommy demolish our non-working fireplace.

Financial and most other matters should be handled through:
