

WOODS ON A MISSION

Missionary Pastors in Cayman Brac

Caribbean Conference

David Woods was privileged to attend the Caribbean Conference November 11-12 in Tortola.

He came back to Cayman Brac, refreshed and challenged by the task of discipleship, having enjoyed the time of fellowship and networking with other church leaders.

Missions Offering

The Caribbean Conference determined to send a Christmas gift to our pastors in Haiti and Jamaica. Our church easily exceeded Pastor Woods' giving challenge with an offering of about \$800 CI!

We appreciate the loving generosity of Brackers!

Thanksgiving

While Thanksgiving may be seen as a uniquely U.S. tradition, the church in Cayman Brac has celebrated this holiday numerous times over the years, even though it is not a public holiday here. This year, the Woods invited the church to celebrate Thanksgiving at the mission home.

Thank God with Us!

- Thank God for a good Sunday School Workshop.

- Thank God for His continued blessings upon our ministry and the church.

Please Pray for Us!

- Pray for Pastor Woods as he seeks to equip the people for ministry, and especially as he focuses his efforts discipling men.
- Pray for wisdom and courage as we face various challenges of ministry.
- Pray for Joseph and Noah to build strong friendships with children their age.

Approximately 100 people from our two congregations, as well as the community, joined us for an evening of food and fun. Pastor Woods began the festivities with a short explanation of the significance of Thanksgiving and ended with a challenge to give thanks in all circumstances.

We then enjoyed a wonderful meal. Different ones brought a variety of foods. The Woods prepared a couple turkeys, a ham, two apple pies, and two pecan pies. Others brought "American" foods such as turkey, stuffing, etc. as well as various Caribbean dishes, such as rice and beans. The kids enjoyed playing football (soccer for us Americans!) and batting down a piñata.

All told, we had a ton of food, a lot of fun, and a good memory for which to be grateful. God is truly good!
