We Made It to PNG!

Thank you everyone for your prayers as we took off on our journey to Papua New Guinea. It was a treacherous path through a lot of COVID related restrictions and paperwork in four different countries and three different airlines. Thankfully our HR office here in PNG had given us a rather full list of everything we needed and we had it all printed up and on hand before we took off. We needed every bit of it, but we made it through with no issues.

There were some who had all the same stuff, but only made it through with us after delays and trouble. There were a few who had delays in COVID tests or visas who didn't make it on this trip at all, so we're all the more thankful for God's hand in getting us through.

**And he led them
on safely, so
that they feared
not...**

**Psalms 78:53a
KJV**

Prayer Corner

Praises:

- Safe and "easy" travels
- Good health so far
- Thorough people in our HR department who worked hard to get us here
- A friend who fixed our plumbing before we arrived!
- The gift of two weeks of quarantine

Requests:

- Upcoming conversations about how to continue working in Bougainville
- That Larry would be able to reconnect with the Solos team soon
- The boys and Christy as homeschool resumes in full schedule
- All of us as we re-connect with the community here. There are old friends gone and new faces we've never met before.

Now we're in the middle of two weeks of quarantine, which is giving us time to sort out things, do repairs on the property, and generally adjust back to PNG life.

In the coming weeks, Larry will have a number of conversations about when, how, and what to be doing with the Solos program. Christy is also looking at how she can continue to volunteer while working with the boys' schooling. Please do pray for us as we work these things out and transition into a new normal.
