Jubilee Youth Camp in the E.C.

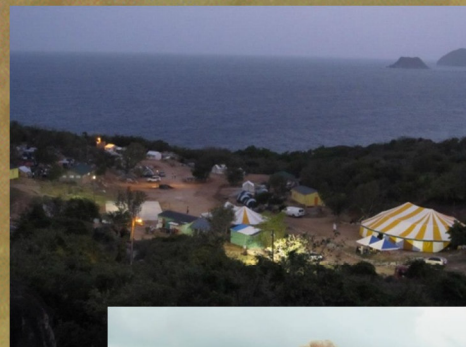

Youth Camp in the Eastern Caribbean celebrated a Jubilee Year with the theme "Passing on a Godly Legacy."

Over 200 young people, in addition to adults, gathered at the new campground in Virgin Gorda, August 1-9. Linda Hayton wrote, "This property is a miracle from God. Beautiful plans are drawn up for permanent buildings."

Bill & Linda Hayton attended as representatives of the World Mission Board. The Haytons served as missionaries in the Virgin Islands from 1969-1983 before directing the World Mission Department from 1983-2004. Bill currently serves on the World Mission Board.

Other special guests included local government officials. Deputy Premiere, the Honorable Dr. Kendrick Pickering, attended a couple of youth camps as a young person; he gave the main address.

We praise God for His continued moving among the churches in the Eastern Caribbean. Continue to pray for them and for the leadership of Brother Philip Gumbs who serves as Overseer for the Eastern Caribbean Council.

AROUND THE WORLD

PAPUA NEW GUINEA

Toward the end of August, Larry Doyle wrote of three answers to prayer.

First, rainfall on Buka Island has returned to normal. Earlier in August, Christy had written that rain was needed to replenish the village water supply and the rain tanks. The rains came.

Secondly, Amaziah appears to be in great health. Larry wrote that he is "getting positively chubby." There was some concern and tests were run last January because he had not been gaining weight properly.

And, thirdly, progress on translating the Bible into the Solos language continues! Larry wrote, "Our translation team is making good progress through Joshua, with the first five chapters drafted now. I'm checking it with them this next week, then it's on to the village checking."

Thank you to everyone who continues praying for Larry, Christy, Lawrance, and Amaziah Doyle.

MYANMAR

John Thangte is a graduate of Shiloh Bible College in Mandalay. He graduated in 2004 and moved to his current location, about 20 miles from Mandalay, in 2006. Since that time he has reached out to the unsaved in three different villages.

One exciting avenue of ministry that God has opened for him is conducting church services at the local institute that trains policemen and firemen. Last May, six new families were added to this congregation.

Please pray for John and all the church planters in Myanmar.
