!! 100% !!

Thank you! As of today we are at 100% of our budget and are financially clear to return to Papua New Guinea. There are so many people working together to make that happen, and we are grateful to each one of you. It is not too late to join the crew on the finance side of things, since some people cannot continue for the full term that we'll be away.

Of course there are other things that need to be taken care of, as we mentioned in our last newsletter. We still need some shots, paperwork (seemingly without end) needs filled out, we have upcoming dental visits, getting things together for shipping, packing stuff that goes with us, last minute COVID tests, etc. & etc. This is all assuming that flights work out and happen as hoped for. So keep praying for us as we officially enter a transition period. We're hoping to get on a flight that lands in PNG on the 24th of February, but we don't know exactly when we take off yet!

spare his own
Son... how will
he not also with
him graciously
give us all
things?**
